

Spring Cleaning Checklist

Whirlpool®

Complete this checklist from top to bottom to get your kitchen and laundry room back in shape for the season.

Kitchen cleaning checklist

- Clean out spills and splatters on the inside of your oven
- Get your stove burners and grates clean
- Clean the inside of your fridge
- Defrost your freezer (if needed)
- Clean out your dishwasher filter
- Clean and replace your microwave filters
- Wipe down the outside of all your appliances
- Clean the outside of your cabinets
- Sanitize your sink with bleach
- Deep clean your floors

Laundry cleaning checklist

- Clean the inside and outside of your washer
- Deep clean your dryer lint screen
- Clean your dryer drum, vents and duct system
- Wash your comforters, mattress covers, pillows and curtains
- Wash and put away your winter gear
- Vacuum and mop your laundry room floors
- Reorganize and maximize your laundry storage
